

CAMDEN COUNTY BOARD OF FREEHOLDERS PRESENTS:

AQUA AEROBICS

FREE CLASSES FOR AGES 55 & OLDER

The water fitness/aerobics program was developed with exercises performed primarily in a vertical position in shallow water. Water resistance creates an environment that improves cardiovascular conditioning; strength and endurance; and flexibility and balance. Classes begin with a warm-up then proceed into a series of alternating cardio and strength exercises. A cool down and stretching complete the class. This format brings freshness and fun to participants' aqua-training.

Class sizes are LIMITED to 20 individuals per session there will be NO exceptions to this rule. When signing up, PLEASE be committed to attend ALL classes within the quarter.
