

Dear Friends and Neighbors:

I would like to take a few moments to bring you up-to-date on some of the business of your Mayor and Borough Council.

SHARED SERVICES – On July 1st, Audubon Park and Haddon Township will begin to share municipal clerks. This arrangement, along with the previously signed agreement for tax collector, will save our town thousands of dollars over the years ahead as well as giving us much needed points towards the Governor’s Toolbox that allows us to maintain our current state aid. We are in the midst of doing a public works agreement with Haddon Township. Using Haddon Township’s Public Works enables us to get work done more efficiently and effectively while saving dollars in the process.

SUMMER ACTIVITIES – The Mayor & Borough Council are proud to present 3 summer events for free here in Audubon Park. On July 20th at 7 PM at the soccer field, hometown heroes Vertigo, will perform classic rock and current hits. On July 21st at Noon in the Dorathea Zeoli Public Library is our annual visit from the Philadelphia Zoo-On-Wheels. This year’s theme is “Born in the USA”. This event is open to all our residents. Finally, on Friday, August 12th, the Mayor and Borough Council are proud to present an evening of Elvis Presley, performed by Brad Crum and his band. Brad was recently voted the #1 Elvis impersonator in the tri-state area. Join us as we celebrate the King of Rock and Roll in this two-hour show under the stars at the soccer field.

ROUNDTABLE MEETINGS – I’ve listed the upcoming dates in this issue for my small informal roundtable meetings. In the past, these meetings have been very successful providing information and dispelling rumors. Officer Earney from the Haddon Township Police Department looks forward to attending. It is also my intention to invite a member of the Board of Trustees to join me as I look forward to meeting with you in this intimate setting.

On behalf of the Borough Council, I would like to wish you all a happy and safe summer. As always, it is a pleasure to serve as your Mayor.

Sincerely,

Larry Pennock

AUDUBON PARK 4TH OF JULY 2011

We wanted to take this opportunity to thank all those residents that have already donated time or money for the 4th of July Celebration 2011. As you know, even the smallest celebrations cost a lot of money. We are asking the residents to please take a minute and put a donation in the attached envelope and drop it off in the Donation Box in the housing office. Any monetary amount helps. Also, if you are available to lend a hand at the celebration, please call Dan Stefano at 609-230-7568.

The 4th of July Committee of 2011 looks forward to seeing everyone at the celebration.

A special THANKS goes out to the Audubon Park Volunteer Fire Company, without them this year's celebration would not be taking place.

A MESSAGE FROM P.O. KIRK EARNEY OF TOWN WATCH

Please report any suspicious individuals or incidents to the police department. In an emergency simply dial 911. For non-emergency matters call (856) 854- 0011. Both phone numbers will connect you with Camden County Central Communications who dispatch calls to the Haddon Township Police Dept. For police records (reports), call (856) 854-1176 ext. 4133 or 4129. For Neighborhood Watch or Community Policing issues you can call me, P.O. Kirk Earney at (856) 854-1176 ext. 4134. Please use the above-mentioned phone numbers. Using any other phone numbers will just delay police response.

NOTICE TO ALL PARENTS IN AUDUBON PARK

Please be advised that we have received numerous complaints about teenagers loitering at the ball field on “A” & “B” Roads as well as the Playground. The Mayor and Borough Council would like to remind parents to speak to the teenagers and remind them that public outburst of vulgarity as well as reckless behavior will not be tolerated. We would also like to remind you that the playground was designed for children 12 years and younger. These areas are off limits for loitering after dark. We also ask all residents surrounding these areas to contact the Haddon Twp. Police Dept. at (856) 854-0011 (non-emergency).

Thank you for your assistance in helping to alleviate these problems.
