## OFFICE OF THE MAYOR

October 11, 2013

Dear Friends & Neighbors:

As we all know, October is Fire Prevention Month. Over the past few years it has become a Mayor and Borough Council tradition to honor both our Volunteer Fire Co. and our Police Department for the fine work they provide keeping our town safe. This year is no different. As Mayor, I have declared October Police and Fire Appreciation Month. The Council and I will honor a member of our Fire Company with the Donald M. Pennock Award. This year's fire company member being honored is Fire Chief, John Terruso. We will also honor Police Officer Joseph Talucci by presenting him with the William B. Cullen Award. These awards are given to the individuals that we feel have provided public safety acts above and beyond the call of duty. We invite all residents of Audubon Park to attend a small dedication ceremony as part of our Working Session on October 21, 2013 at 7 PM at the Annex Building (MPB).

I would also like to extend an invitation to all residents to come to the Borough to meet our new Clerk's Assistant, Gail and our new Librarian, Terri. Both employees are nice additions to our municipality.

The Council has decided to have all meetings at the Annex Building. This change was done in order to allow all residents the ability to attend our meetings. It is important for us to make our meetings as open to the residents as possible. I look forward to seeing you all at the meetings. As always, I am proud to serve as your Mayor.

Sincerely,

Lawrence E. Pennock,  
Mayor

**POLICE INFORMATION**

Please call the police immediately when any public safety issues arise. Make sure the following phone numbers are used:

***If a significant event is occurring or has occurred, call 911***

***For less pressing issues, please call 856-854-0011***

.....

**THANK YOU THANK YOU THANK YOU**

The four of us would like to thank the residents of Audubon Park and Everyone who donated to our Oklahoma Fundraiser. We rose close to \$2,500.00. We couldn't have done this without all of you.

Scott and Cyndi Grohowski

Larry and Dawn Pennock

.....

**WESTMONT AMBULANCE FUNDRAISER**

Just a reminder, it's not too late to make a contribution to the Westmont Ambulance Squad. We all need to remember that Westmont provides excellent ambulance coverage to our town at no expense to the residents.

.....

October 10, 2013

Dear Residents:

In accordance with the Borough's Tier A Municipal Stormwater General Permit, the Governing Body has adopted various Ordinances to regulate the impact of stormwater and pollutants on the environment. As part of our required Local Public Education Program, we are sending this letter to you annually to highlight the requirements and environmental benefits of these Ordinances. The following describes the Ordinances in the Municipal Code:

1. **Pet Waste:** This Ordinance requires all pet owners to pick up and properly dispose of pet waste dropped on public or private property. This requirement prevents fecal contamination from impacting our local waterways.
2. **Litter:** This Ordinance states that it is unlawful to throw, drop, discard or otherwise place litter of any nature on any public or private property, other than a litter receptacle. This requirement has been adopted to prevent all types of litter from cluttering public streets and private property and prevents litter from impacting our waterways.
3. **Improper Disposal of Waste:** This Ordinance states that it is illegal to dispose of waste in any place other than a proper solid waste storage container. The purpose of this Ordinance is to prevent unsanitary conditions and groundwater pollution.
4. **Wildlife Feeding:** Feeding of waterfowl on municipal park land or property is prohibited by Ordinance. The purpose of this Ordinance is to reduce waterfowl population in response to health concerns regarding bacteria from fecal matter which is harmful to humans' and fish populations.
5. **Yard Waste:** This Ordinance has been created to establish a system for the placement and collection of leaves, brush, and other yard wastes. The purpose of the Ordinance is to keep leaves, grass and other yard waste out of the stormwater inlets and piping, and ultimately out of our waterways.
6. **Illicit Connections:** It is unlawful to connect any pipe or discharge to the municipal storm sewer system that is intended to discard, spill or dump any substance other than stormwater or groundwater (via sump discharge) into the system. The purpose of this Ordinance is to prevent contamination of our streams and waterways which receive discharge from our storm sewers.

The transport of pollutants into local streams and water bodies can result in the destruction of fish, wildlife, and habitats; threats to public health and the loss of recreational and aesthetic value.

The Governing Body has enacted the above listed Ordinances to protect our environment, and to keep pollutants that are commonly conveyed by stormwater from adversely impacting our waterways and groundwater supplies. These ordinances can be found in the Borough Clerk's Office and on the official

website, [www.audubonparknj.org](http://www.audubonparknj.org). All information regarding the New Jersey's Stormwater program requirements can be found at [www.cleanwaternj.org](http://www.cleanwaternj.org).

Sincerely,

Lawrence E. Pennock,  
Mayor
